

3. IMMIGRATION

Any third-country national (a person who is not an EEA national - i.e. from an EU Member State, Iceland, Norway and Liechtenstein - or a Swiss Confederation national) planning to stay in Luxembourg for a period exceeding three months (90 days) must apply for a temporary authorisation to stay before entering the territory.

RESIDENCE PERMIT

An application for a residence permit must be sent to the Immigration Directorate of the Luxembourg Ministry of Home Affairs. The permit may be requested as an employee, a self-employed person, a student, an intern, a researcher, a family member or for personal reasons.

For stays that do not exceed three months, third-country nationals are not entitled to carry out an activity as an employee or a self-employed person, unless expressly authorised to do so by the Minister. Third-country nationals who wish to set up a business in Luxembourg on a self-employed basis must fulfil various conditions.

HOW DO I APPLY?

Before entering the country, the person concerned must:

1

Submit the application to the Immigration Directorate of the Ministry of Home Affairs

2

Be in possession of a valid passport.

3

The person will then receive a temporary authorisation to stay. Afterwards, the applicant needs to apply for a long-term visa (type D).

After entering the country, the person concerned must:

1

Make a declaration of arrival in the municipality where he/she will be residing

2

Undergo a medical check

3

Submit proof of payment of the administration fee of €80.

4

After finalising these steps, the person will receive a letter allowing him or her to pick up the final residence permit.
